

Cumulative Contents

Northern Territory Naturalist no. 27, October 2016

- Brockwell S., O'Connor S., Litster M. and Willan R.C.* New insights into Holocene economies and environments of Central East Timor: Analysis of the molluscan assemblage at the rockshelter site of Hatu Sour 2
- Westaway J.O.* The pathogen Myrtle Rust (*Puccinia psidii*) in the Northern Territory: First detection, new host and potential impacts 13
- Westaway J., Alford L., Chandler G. and Schmid M.* *Asystasia gangetica* subsp. *micrantha*, a new record of an exotic plant in the Northern Territory 29
- Bellairs S.M. and Caswell M.J.* Seed viability of native grasses is important when revegetating native wildlife habitat 36
- Bannister N, Holland J. and Farrelly T.* Nest site fidelity of Flatback Turtles (*Natator depressus*) on Bare Sand Island, Northern Territory, Australia 47
- Lilleyman A.* Records of waterbirds and other water-associated birds from the 2014/15 migratory season in the Darwin region 54
- Rawsthorne J.* Fluctuations in use of urban roost and foraging sites in Darwin by Pied Heron (*Ardea picata*) 60
- Martine C.T., Boni A.J., Capaldi E.A., Lionheart G.E. and Jordon-Thaden I.E.* Evidence of rock kangaroo seed dispersal via faecal seed storage in a tropical monsoon community 68
- Barton D.P., Chapman P.A. and Groom R. A.* Report of the presence of *Hapalotrema synorchis* and *H. postorchis* (Digenea: Spirorchidae) in marine turtles (Reptilia: Cheloniidae) in Northern Territory waters 78
- Ferns L.W.* Coral communities in extreme environmental conditions in the Northern Territory, Australia 84
- Bourke A. J., Walker C. and Willan R.C.* First record of two mangrove leaf slugs, *Elysia leucolegnote* and *E. bangtawaensis* (Sacoglossa: Plakobrachidae), in mangrove forests in the Northern Territory 97
- Bourke A. J.* Field identification of the *Platevindex* mangrove slugs (Mollusca: Gastropoda: Onchidiidae) of Darwin Harbour 102
- Oberprieler S.K., Jennings D. and Oberprieler R.G.* Captain King's lost weevil – alive and well in the Northern Territory? 106
- Braby M.F. and Westaway J.O.* Rediscovery of the Spinifex Sand-skipper (*Proeidosia polysema*) in the Darwin area, Northern Territory 121
- Dengate J.* Book Review 126

Northern Territory Naturalist no. 26, June 2015

Short Notes

- Bourke P.* 'Poor man's tucker' – historic and contemporary consumption of longbum shellfish around Darwin 4
- Giuliano C. and Guinea M.L.* A recently formed Crested Tern (*Thalasseus bergii*) colony on a sandbank in Fog Bay (Northern Territory), and associated predation 13
- Chatto R., Guinea M.L., Low Choy . and Mangion P.* The Yellow-lipped Sea Krait (*Laticauda colubrina*) in the Northern Territory 17
- Kyne P.M.* Occurrence of a Sharksucker (*Echeneis naucrates*) on a Northern River Shark (*Glyphis garricki*) in a tidal riverine habitat 21
- Neusser T.P., Bourke A.J., Metcalfe K. and Willan R.C.* First record of Aitengidae (Mollusca: Panpulmonata: Acochlidia) for Australia 27

Research Articles

- Riddell W.E.* Aspects of breeding ecology of the Brown Goshawk (*Accipiter fasciatus*) in an urban environment in northern Australia 32
- Barton D.P.* Helminth parasites of the introduced Asian House Gecko (*Hemidactylus frenatus*) (Gekkonidae), in the Northern Territory, Australia 44
- Willan R.C., Hoskins M. Wright N.R. and Brown G.R.* A gutless wonder: first record of the remarkable acoel flatworm *Wulguru cuspidata* in the Northern Territory 56
- Braby M.F.* New distribution records for some butterflies from the Gulf of Carpentaria, northern Queensland 67

Anderson S.J., Bellis G.A., Thistleton B.M., Tran-Nguyen L.T., Edwards T. D., Hobern D., Quintao V., Halling L. and Walker J.A. New distribution records of the Star Fruit Flower Moth (*Diacrotricha fasciola*) (Lepidoptera: Pterophoridae) in Australia and Timor-Leste 76

Northern Territory Naturalist no. 25, March 2014

Short Notes

Palmer C. and Peterson A. First report of a lacaziosis-like disease (LLD) observed in the Australian Snubfin Dolphin (*Orcaella heinsohni*) in Darwin Harbour, Northern Territory, Australia 3

Ward S.J. and Young S. A bird in the hand is not always easily identified: Description of downy chicks of Chestnut-backed Button-quail (*Turnix castanotus*) from Cobourg Peninsula, Northern Territory, Australia 7

Lilleyman A. and Hensen B. J. The occurrence of the Asian subspecies of the Gull-billed Tern (*Gelochelidon nilotica affinis*) in the Darwin region, Northern Territory 12

Species Profile

Willan R.C. Management of Brazilian Joyweed (*Alternanthera brasiliana*) in the Casuarina Coastal Reserve, Darwin, Australia 18

Research Articles

Braby M.F. Remarks on the spatial distribution of some butterflies and diurnal moths (Lepidoptera) in the Top End of the Northern Territory, Australia 29

Brown G.R. and Phillips R.D. A review of the diet of flower wasps (Hymenoptera: Thynnidae: Thynninae) 50

Rich D., Greenslade P. and Bickel D. Changes in dominance of dipteran families on Coral Sea cays over ten years during a period of substantial vegetation change 64

Northern Territory Naturalist no. 24, February 2013

Research Articles

Bisa D. New locations of butterflies from northern Arnhem Land, Northern Territory 2

Fukuda Y., Saalfeld K., Webb G., Manolis C. and Risk R. Standardised method of spotlight surveys for crocodiles in the tidal rivers of the Northern Territory, Australia 14

Reynolds S. J. Habitat associations of birds at Manton Dam, Northern Territory 33

Short Notes

Kyne P.M. First record of Spotted Whistling Duck *Dendrocygna guttata* for the Northern Territory 50

Jackson M.V. and Kyne P. M. Red-rumped Swallow *Cecropis daurica* in the Northern Territory 55

Kyne P.M. and Jackson M. V. An insectivorous Australian Pratincole *Siltia isabella* diversifies its diet 61

Palmer C. and Chatto R. First confirmed sighting of the Killer Whale *Orcinus orca* in Northern Territory coastal waters 65

Species Profiles

Willan R.C. A key to the potamidid snails (longbums, mudcreepers and treecreepers) of northern Australia 68

Franklin D.C. and Bate P.J. *Brachychiton megaphyllus*, the Red-flowered Kurrajong 81

Book Review

Reynolds S.J. Flammable Australia. Fire Regimes, Biodiversity and Ecosystems in a Changing World 89

Northern Territory Naturalist no. 23, December 2011

Review
